STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM (STIP) For FY 2005-2007

A M E N D M E N T #2004.316

I. Proposed Action:

The Kentucky Transportation Cabinet (KYTC) hereby submits copies of resolutions from the Kentuckiana Regional Planning and Development Agency's (KIPDA) Transportation Policy Committee showing their approval of Amendment #3 to the FY 2006-2008 Transportation Improvement Plan (TIP) and Amendment #3 to the Horizon 2030 Long Range Transportation Plan (LRTP).

Location: KIPDA MPO Area

Scope of Activity:

Amendment to the FY 2005-2007 Kentucky Statewide Transportation Improvement Program (STIP) to include Amendment #3 to KIPDA's FY 2006-2008 TIP and Amendment #3 to the 2030 LRTP.

II. Additional Remarks:

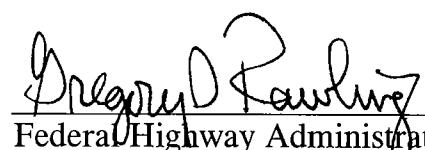

Please see the enclosed list of projects that also includes three transit projects for the Transit Authority of the River City (TARC). The KYTC has submitted STIP Amendment No. 2004.317 to the Federal Transit Administration for their approval of these three projects. This amendment to the FY 2005-2007 STIP is per the Kentuckiana Regional Planning and Development Agency's Transportation Policy Committee.

Whereas, consistent with federal and state mandates, states' environmental requirements, and with the KIPDA Transportation Policy Committee's Memorandum of Agreement, *Public Involvement Process, Title VI: Environmental Justice Plan*, and other operating procedures, the KIPDA Transportation Policy Committee has worked with local, state, and federal jurisdictions and agencies in a continuing, cooperative, and comprehensive planning process; and has incorporated the work of local governments, and the suggestions of citizens, businesses, and interests throughout the MPA in this document; and

Whereas, the *FY 2006 - FY 2008 Transportation Improvement Program for the Louisville and Southern Indiana Urbanized Area* is a subset of *Horizon 2030*, as amended, the Louisville (KY-IN) MPO Long-Range Transportation Plan, which has been determined to conform to the State Implementation Plans of Indiana and Kentucky; and

Now, therefore be it resolved, by the Transportation Policy Committee of KIPDA that Amendment #3 of the *FY 2006 - FY 2008 Transportation Improvement Program for the Louisville and Southern Indiana Urbanized Area*; is approved by official action at the June 22nd, 2006 meeting. This action is contingent upon and effective when a conformity finding is made by the appropriate federal agencies.

Be it further resolved, that the KIPDA Staff is authorized to transmit Amendment #3 of the *FY 2006 - FY 2008 Transportation Improvement Program for the Louisville and Southern Indiana Urbanized Area* to the Federal Transit Administration, Federal Highway Administration, and the Environmental Protection Agency to make the federal conformity determination in accordance with the Clean Air Act and the Environmental Protection Agency's transportation conformity regulations, and for review based on the planning process requirements, and other federal regulations;

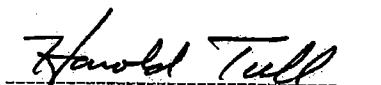

Be it further resolved, that the KIPDA staff is authorized to transmit Amendment #3 of the *FY 2006 - FY 2008 Transportation Improvement Program for the Louisville and Southern Indiana Urbanized Area* to the Governors of the state of Indiana and Commonwealth of Kentucky and to the Indiana Department of Transportation and the Kentucky Transportation Cabinet in compliance with federal and state requirements;

Adopted by the KIPDA Transportation Policy Committee this 22nd day of June 2006.

A Resolution of the Kentuckiana Regional Planning and Development Agency Transportation Policy Committee
adopting Amendment #3 of *Horizon 2030* (the 2005 Long-Range Transportation Plan)

Whereas, the Kentuckiana Regional Planning & Development Agency (KIPDA) Transportation Policy Committee is designated by the governors of the state of Indiana and the Commonwealth of Kentucky under state and federal laws, as the Metropolitan Planning Organization (MPO) for the Louisville (KY-IN) Metropolitan Planning Area (MPA) encompassing Clark and Floyd counties and a portion of Harrison County in Indiana and Bullitt, Jefferson, and Oldham counties in Kentucky; and

Kentucky
Member
Counties

Whereas, federal laws require that the Transportation Policy Committee periodically review and update its Long-Range Transportation Plan to reflect progress and changes regarding plan implementation directions using the latest forecasts of regional demographic and socioeconomic data; and

Bullitt
Henry

Whereas, pursuant to 23 CFR Section 450.316, the KIPDA Transportation Policy Committee has approved household, population, and employment forecasts and distributions for the Louisville (KY-IN) Metropolitan Planning Area (MPA) based on the most recent demographic and economic information available; these forecasts are consistent with the general growth pattern for the Louisville (KY-IN) MPA and reflects plans, policies and growth targets developed in concert with local jurisdictions; member jurisdictions have reviewed the forecasts and distributions for consistency with local plans and/or countywide planning policies; and the KIPDA Transportation Policy Committee recognizes the need to continuously refine these regional forecasts and distributions for consistency with area planning policies and adopted comprehensive plans; and

Jefferson
Oldham

Shelby
Spencer

Trimble

Whereas, consistent with federal and state mandates, states' environmental requirements, and with the KIPDA Transportation Policy Committee's Memorandum of Agreement, *Public Involvement Process, Title VI: Environmental Justice Plan*, and other operating procedures, the KIPDA Transportation Policy Committee has worked with local, state, and federal jurisdictions and agencies in a continuing, cooperative, and comprehensive planning process; has made draft documents available for public review; has held public meetings, open houses, and other efforts including providing data and information related to the plan update on the KIPDA website, to involve communities, agencies, business, interest groups, and individuals in order to facilitate their ability to provide input, discussion, and review of *Horizon 2030*; and has incorporated the work of local governments, and the suggestions of citizens, businesses, and interests throughout the MPA in this document; and

Indiana
Member
Counties

Clark

Floyd

Whereas, the KIPDA Transportation Policy Committee is to certify that *Horizon 2030* as amended, complies with all of the applicable requirements of the Federal Transit Act, Clean Air Act, the Americans with Disabilities Act, Civil Rights Act, the Federal Transportation Act, and all other applicable state and federal laws; and

Whereas, *Horizon 2030* as amended, has been determined to conform with the State Implementation Plans of Indiana and Kentucky; and

Equal
Opportunity
Employer

Whereas, the results of a regional emissions analysis indicate that *Horizon 2030* as amended, meets the requirements of conformity under the 8-hour ozone standard; and

Whereas, *Horizon 2030* as amended, is to serve as the KIPDA MPO long-range transportation plan under federal law contingent upon and effective when a conformity finding is made by the appropriate federal agencies; and
